NOTICE OF ROAD POSTING - 2020 SEASONAL WEIGHT RESTRICTIONS

KESHENA, Wis. – Temporary weight limits on all county trunk highways and town roads in the County and Town of Menominee will be effective as of Monday, March 9, 2020, as authorized by Wis. Stats. 349.16. All posted roads shall be limited to six (6) tons per single axle and ten (10) tons per tandem axle, with a combined gross weight not to exceed 21 tons. Appropriate signage will be posted on March 9, 2020, with active enforcement beginning that same day at 12:00 p.m. Shawano and Langlade County will also be posting seasonal weight limits on March 9th.

Thawing frost under the roadbeds during this time of the year result in weakening of the roadbeds, which can lead to heavy truck traffic greatly damaging road surfaces. These weight restrictions intend to prevent or minimize that damage. Accordingly, these weight restrictions will remain in place until the frost has dissipated and roadbeds have firmed up. We thank everyone in advance for their observation of the weight limits during this time.

If you would like more information about the seasonal weight restrictions, please contact Jeremy C. Weso or Steve Wilke, Patrol Superintendent, at 715-799-3369.—/s/ Jeremy C. Weso, Highway Commissioner.
