

## **SECTION 8.6 MOSHAWQUIT LAKE RESIDENTIAL (ML-R)**

8.601 Purpose. To provide zoning regulations for the Moshawquit Lake area that are comparable with other lake properties and to establish a standard by which development may be permitted. The standards set out in this section shall apply in this district.

8.605 Properties Included In This District. (see Section 19 “assignment of properties to a district”)

8.610 Permitted Principal Uses. Except as provided in Section 27, single family housing is the only permitted principal use allowed in the ML-R District.

8.615 Permitted Principal Structures. Single family houses are the only permitted principal structures allowed in the ML-R District. The principal structure may have an attached garage, provided that:

- A. A garage attached to the principle structure shall not exceed the lesser of; one thousand (1,000) square feet or the main floor living area of the principal dwelling. (i.e. if the main floor living area of the dwelling is eight hundred (800) square feet, the attached garage may not exceed eight hundred (800) square feet.)
- B. The height of the attached garage does not exceed the height of the principal dwelling.

8.620 Permitted Accessory Uses. The following accessory uses are permitted in the ML-R District:

- A. Private storage of vehicles, that are titled to the property owner,
- B. Home occupations: Customary home occupations are permitted provided that:
  1. The space required does not exceed twenty-five percent (25%) of the living area,
  2. There is no increase in traffic or parking,
  3. Home occupations, outside of the living area, are prohibited.
- C. Guest camping: This permitted accessory use shall allow for temporary use of recreational camping equipment on improved (with a principal structure) property, provided that:
  1. The property owner is on site, or easily accessible,
  2. Those using the recreational camping equipment have free access to the principal dwelling.

8.625 Permitted Accessory Structures. The following accessory structures are permitted in the ML-R District, provided that the principal structure has been constructed first.

- A. Private storage garage, provided that:
  1. It does not exceed one thousand (1,000) square feet,
  2. The side walls do not exceed ten (10) feet when measured vertical from the slab,
  3. The height at the ridge does not exceed twenty (20) feet when measured vertical from the slab,
  4. It is constructed on an approved concrete slab.

- B. Storage shed, provided that:
  - 1. It does not exceed one hundred forty four (144) square feet,
  - 2. The side walls do not exceed eight (8) feet when measured vertical from grade,
  - 3. The height at the ridge does not exceed twelve (12) feet when measured vertical from grade,
  - 4. The floor is rodent proof. (concrete, blacktop, or tightly laid patio block)
- C. Gazebo, (decorative lawn shelter) provided that: it does not exceed one hundred forty-four (144) square feet, and does not exceed twelve (12) feet in height.
- D. Play house, provided that: it does not exceed one hundred forty four (144) square feet, and does not exceed eight (8) feet in height.
- E. Wood shed, (roof only, supported on posts, for the sheltered storage of fire wood).  
For the purpose of this section only, it is not considered an accessory structure.

8.630 Conditional Uses. There is no provision for conditional uses in this district.

8.635 Structures Allowed Under Conditional Use Permits. There is no provision for conditional use structures in this district.

8.640 Dimensional Requirements. Except as provided in the Menominee County Shoreland Protection Ordinance (#68), the following lot, height and yard requirements are established for the ML-R District:

- A. Yard Requirements. Lot Area: Lot area shall be a minimum of twenty thousand (20,000) square feet,
- B. Maximum lot coverage by structures shall not exceed twenty five percent (25%) of the lot area,
- C. Maximum height for the principal structure shall be thirty five (35) feet, as measured from the lowest point of grade,
- D. Setbacks:
  - 1. The minimum highway setback shall be regulated under Section 20 (Highway Access and Setbacks),
  - 2. The minimum side yard setback for all structures shall be ten (10) feet,
  - 3. The minimum rear yard setback for principal structures shall be twenty-five (25) feet, and ten (10) feet for any accessory structure.

8.645 Additional Requirements. The following regulations shall apply within the ML-R District.

- 1. Section 29 as pertaining to parking,
- 2. Section 30 as pertaining to the placement of signs.
- 3. Section 33 as pertaining to modifications, exceptions and special requirements.
