

**POLICY
FOR USERS OF
MENOMINEE COUNTY GIS DIGITAL DATA**

The GIS digital data is sold by Menominee County as per the attached price schedule and may from time to time be amended. These prices represent an average reproduction cost, including but not limited to order, of administration, direct labor, computer time, supplies and delivery via US mail. Media charges will be assessed separately. Purchase orders from municipalities are acceptable. Prepayment is required for all other entities. Checks should be made payable to the *Menominee County Treasurer*.

Proprietary Rights Redistribution of Menominee County data sets outside of user's organization/entity is expressly forbidden. The only exception is redistribution to consultants working for the user and only for those purposes related to user's business. If it is determined that the user and/or its consultants have redistributed the data, the entity shall be assessed three times the cost of the data set. The data shall be returned to the County and destroyed.

Updates Users of Menominee County GIS data sets buy copies on a one-time basis. Menominee County is under no obligation to specifically inform users of any updates to data thereafter. The burden of ordering and paying for the updated copies rests entirely upon the user.

Liability Menominee County makes no warranty or representation, either expressed or implied, with respect to the data files which you have requested, or their quality, accuracy, performance, merchantability, or fitness for a particular purpose. As a result, the data files are transferred to you "AS IS" without any support whatsoever, and you the receiver, are assuming the entire risk as to its quality and performance. The data is neither a legally recorded map nor a legal land survey and is not intended to be used as one.

In no event will Menominee County, its elected or appointed officials, or employees or any third persons who have been involved in the creation, production, or delivery of the data or file(s), be liable for direct, indirect, special, incidental, or consequential damages resulting from any defect in the data files or its documentation. In particular, Menominee County shall have no liability for any data stored or used, including the costs of recovering such data. This disclaimer shall apply not only to the current transfer of data files by the County to you but also to any future transfer of data files.

Scheduling Data orders have equal priority with other project work. A good faith effort will be made to fill orders as promptly as possible within normal operations of the Land Information Office. Users are encouraged to order early. Fax orders will be accepted.

Credits Any hardcopy of original data sets shall clearly indicate their source. If the user has modified the data in any way whatsoever, they are obligated to describe the types of modifications they have performed on the hard copy map.

User specifically agrees not to misrepresent Menominee County GIS data sets, nor to imply that changes they have made are approved by Menominee County.

Authorization The signatory for the user represent and warrants that she/he is authorized to execute this document on behalf of the requesting organization/entity.
