CTH-VV (WEST) AND LONG LAKE ROAD REPAVING PROJECTS BEGINNING ON MONDAY, MAY 5, 2025

KESHENA, Wis. – Northeast Asphalt, Inc., will begin the pulverizing and repaving of both Long Lake Road, from CTH-VV East to Rushes Lake Crossover (this includes Sunrise Court); and County Highway VV-West just west of Kittecon Road to the Shawano County Line. Road work will begin on Monday, May 5, 2025. All work is expected to be completed on or before May 26, 2025. Commuters should expect periodic delays due to the construction, so they should plan accordingly. Flaggers will be present to help commuters navigate active areas of the work zone. This project is funded in part using WisDOT's Local Road Improvement Program and County ARPA funding. /s/ James Horton, Highway Commissioner
